Product Specification Sheet

Targus Super Mini USB 2.0 4-Port Hub

Part #: ACH63US

Product Description:

At just under the size of a Post-it® Note, the Targus Super Mini USB 2.0 4-Port Hub is one of the smallest hubs in the Targus product mix. With its distinctive aluminum, industrial appearance, this USB 2.0 hub boasts four USB ports and a high-speed transfer rate of up to 480Mbps. There's no need to carry around extra power adapters with this unique hub—for power simply plug the included y-cable into your notebook or desktop and you're ready to start transferring data!

Product Features and Specifications:

- **Power to go:** Small, lightweight design with Y-cable provides extra power without the weight of an AC adapter
- **Expand your capabilities:** Connect 4 USB devices such as mice, keyboards, digital cameras and memory devices to your notebook simultaneously
- **Plug and play:** Easy to install—simply plug into your computer's USB port; no drivers required
